THE WHITE HOUSE
WASHINGTON

CONFIDENTIAL

MEMORANDUM FOR

John A. Wickham, Jr.
Major General, U.S. Army
Military Assistant to the Secretary of Defense

SUBJECT: Delivery of Military Equipment to Israel

With respect to the pending requests from the Government of Israel for items of military equipment, the Department of Defense is authorized to provide to that Government the following items and categories of equipment:

- 25 F-15 aircraft. Up to 10 of these will be aircraft utilized by the USAF for research and development purposes, to be delivered by August 1976. The remaining aircraft will be delivered commencing in August 1977 at a rate of one aircraft per month.
- Five designators and 125 kits for laser-guided bombs.
- Items of general equipment, other than major end items. Included are such categories as spare parts, routine support equipment and expendables, specifically including those and similar items contained in your memorandum of November 6, 1975.
